Acting Chief, Plans and Policy Staff, OTR

Annex B to CIA/E/ME War Plan (National War),  
21 September 1955

- REF : a. Annex B to CIA/E/ME War Plan (National War),  
21 September 1955 (TS 96718)
- b. Sec memo to SPA-DD/S from DTR, subject, "Annex  
J, Concept of Operations to the CIA/CS Theater  
(Area War Plan), dated 10 August 1955.

1. With regard to the basic communication, OTR submits the  
following comment:

a. Paragraph 3, X, (1): It is recommended that this  
sentence be rewritten as follows:

(1) Provide logistics, administrative and training  
support to Exceptional and Non-theater Operations as  
directed."

Reason: The commander's authority to support his opera-  
tions should be commensurate with his responsibility to  
conduct them. It is likely that local training facilities  
will be required in addition to the theater training base  
or bases to support Exceptional and Non-theater Operations.
